

Join Us at Richmond Dairies – We’re Hiring a Production Operator!

Richmond Dairies is one of Australia’s most innovative and successful dairy exporters. Located in the beautiful Northern Rivers region—between lush rainforests and pristine coastline—we offer a relaxed lifestyle, a supportive team, and real opportunities for growth.

About the Role

- Full-time **Production Operator** position
- Work with automated lines and equipment in our dairy production facility
- Ensure quality, safety, and efficiency throughout the production process

What We’re Looking For

- Attention to detail and reliability on the production line
- Ability to work in a team and communicate effectively
- Experience in food or dairy production is a plus but not required
- Strong commitment to quality and workplace safety

Why Richmond Dairies?

- We’re a growing, globally exporting business
- Based in Northern Rivers, NSW – a region known for its natural beauty and lifestyle
- We value innovation, quality, and community in everything we do
- A safe and inclusive workplace
